Families Together

Preserving and strengthening the family.
That's what Lutheran Services in Iowa's
Families Together program is about.

Serving Floyd, Mitchell and Chickasaw
counties, Families Together can help with:

- guidance and support
- skill development to help cope with parenting demands
- alternative discipline strategies and techniques
- access to community resources and services
- stress management
- budget planning
- appropriate child health and education development
- help with child care selection
- creative ways to interact with your children

Families Together provides home visits and
a direct link to community resources at no
cost to families. For more information,
please call:

Families Together relies on
community support and
donations to enhance
services. Program needs
include:

- baby items
- general cleaning supplies
- personal hygiene items
- monetary donations

*"When you strengthen a
parent's ability to care for
their child, you strengthen
the child indirectly."*
