*Thanks so much to all the parents
and children who have attended
EAGLE programs during
this past school year!
I hope that you have all
enjoyed them as much as I have.*

This will be the last EAGLE
newsletter until September.

Most public libraries in the FMC area
are planning summer reading pro-
grams. These programs are always
so much fun and a great way to keep
your child reading through the
summer...

Be sure to contact your local
library for details!

Don't forget to read!
